We will pick you up at Zanzibar airport upon arrival. Our driver will await you with a sign with your name. We will bring you to Stonetown view Inn (a hotel in the city center). Someone will be at your disposal at all times should you need anything. Meet & greet during dinner a la carte in the hotel dining hall.

- Drinking water is provided upon pick-up at the airport
- Should flights be cheaper on some days before the trip start date, feel free to let us know and we'll make sure to accommodate and entertain you.

## Day 2: Tortoises on Prison Island, Snorkeling & Stonetown Visit

Today we'll take a private boat to prison island. You'll start by visiting the land tortoises on the island. You will be able to touch them & feed them some healthy kale. You'll continue on your tour of the island by visiting the old prison premises. We'll have a snack on the island beach before heading back to the boat for some snorkeling, and we'll have a picnic lunch on the boat or lunch at a local restaurant in Stonetown (dependent on the wishes of the group). In the afternoon we'll visit Stonetown to then head to our new accommodation: Teddy's place by the beach. Dinner not included but available at the accommodation a la carte or in nearby restaurants. Overnight at New Teddy's place in Jambiani.

- Highlight: feeding tortoises, snorkeling around Mnemba island

## Day 3: Blue safari boat tour or Relaxing on the beach

If you're tired of excursions you can have a relaxing day on the beach. Those wishing to explore more can join us on the blue safari tour. This is a full day private boat trip, during which you'll visit a white sandbank surrounded with the clearest water. You will also take a swim in a naturally rock-formed swimming pool in the sea. You'll go snorkeling and visit an island with one of the oldest baobab trees, where you'll have a fresh seafood lunch. Overnight at New Teddy's place in Jambiani. Free transport is available for those wishing to go to a party in one of the nearby areas.

- Highlight: natural swimming pool, private sandbank
- Expert tip: wear shoes that are water resistant and go on and off easily. During low tide you might have to walk through ankle/knee-high water to return to the boat.

## Day 4: Swimming with Dolphins (half day) – Relaxing on the beach

In the early morning, for those wishing to join, we'll head to the south of the island to start our boat tour from there. We'll try to spot dolphins while they're out hunting. We'll provide you with snorkeling gear and you'll jump into the water as these magnificent creatures are about to pass by. We'll get back into the boat and pursue them again. The dolphins are wild, they are not held in captivity. We are their visitors and we are there to observe.

In the afternoon you'll enjoy have the chance to relax by the beach or the swimming pool. Overnight at New Teddy's place in Jambiani. Free transport is available for those wishing to go to a party in one of the nearby areas.

- Highlight: swimming with dolphins
